

SASH Promotional Material

Developed by Support After Suicide, in partnership with Switchboard Victoria, and developed under the guidance of a Lived Experience Advisory Group, SASH has been designed by, and for, LGBTQIA+ people bereaved by suicide.

To help spread the word about SASH, we have created a set of promotional tools that can be shared by organisations and community groups.

Thank you for sharing information about SASH with your community.

Suggested Wording

Option 1:

SASH is for LGBTQIA+ people bereaved by suicide aged 18+. It's an online community forum where you can access information, resources, and connect with each other. Visit sash.org.au to find out more and join the community.

Option 2:

SASH is for LGBTQIA+ people bereaved by suicide aged 18+ to find support and connection. It's an online community forum where you can access information, resources, and connect with each other. Visit sash.org.au to find out more and join the community.

Option 3:

If you are an LGBTQIA+ person who has lost someone to suicide, you can find support and connection with others at SASH. SASH has information, resources, and an online community forum for LGBTQIA+ people bereaved by suicide aged 18+ to connect with each other. Visit sash.org.au to find out more and join the community.

Add us to your online directory

SASH is for LGBTQIA+ people bereaved by suicide aged 18+. It is an online community forum where you can access information, resources, and connect with each other.
